A postcard from the USA - Writing

Hello! My name is Lina and I am writing to you from North Carolina, USA. I was wondering something: how is it to live in Sweden? We have a very mild climate here in North Carolina, which means that we have hot summers with around 30 degrees Celsius, but a very stable temperature. The winters come with temperatures above zero. On my free time, when I am away from school, I love to be outside and play basketball with my friends or take the skateboard down the flat streets. Me and my family love to go to the countryside and parks in the weekends. But now I want to hear a little short about Sweden and about you. How is it in Sweden and what do you enjoy to do? Write an answer to this letter and tell me!	
So, your assignment is to write an answer to Lina's letter. Tell about Sweden and you in
