

Speaking with friends – Dialouge

Below, you will find a dialouge about three friends speaking to each other on a school break. Read the text and answer the questions.

Oliver: Hello guys! How was the lesson? Did you finish the text that we are supposed to hand in tomorrow?

Lucas: Yep. It was pretty easy, but it turned out really good.

Mike: The same for me.

Oliver: Great. I did finish in time too. But, what are you going to do this afternoon? My suggestion is that we can take a walk around the city and then eat some dinner at the new restaurant. What do you think?

Mike: Well, I am free today. How about you, Lucas?

Lucas: I'm free too. Are you talking about the new Italian restaurant?

Oliver: Yes, "Cibo fantastico". Next to the park.

Mike and Lucas: Sound awesome.

Oliver: Now, let's go to the classroom. The next lesson are starting soon.

Mike: What lesson do we have?

Oliver and Lucas: English class. After that, we have lunch.
